

Programme of the Forum of Nuclear Industry Suppliers ATOMEX 2012 December 12–14, 2012

	December 12
8:30 - 17:00	Registration
9:00 - 9:45	Welcome coffee
10:00 – 12:45 Hall 1	Plenary meeting
	Moderator: K.B. Komarov, Deputy Director General of the State Corporation "Rosatom" Speakers:
10:00 - 10:30	S.V. Kirienko, Director General of the State Corporation "Rosatom"
10:30 - 10:45	K.B. Komarov, Deputy Director General of the State Corporation "Rosatom"
10:45 - 11:00	Representative of the Ministry of Economic Development
11:00 - 11:15	A.V. Ferapontov, State Secretary – Deputy Head of Rostekhnadzor
11:15 – 11:30	G.S. Sakharov, Director of Capital Investments of the State Corporation "Rosatom";
11:30 – 11:45	R.S Zimonas, Director of Methodology and Procurement Department of the State
11.30 - 11.43	Corporation "Rosatom", "Development of procurement system in the nuclear industry"
11:45 – 12:00	O.O. Patarakin, Deputy Director of Directorate for Science and Technology Complex of the State Corporation "Rosatom";
12:00 – 12:15	• P.A. Tikhomirov, Deputy Director of Internal Control and Audit Department, chairman of the Central Arbitration Committee of the State Corporation "Rosatom", "Procurement control system. Work of the Central Arbitration Committee"
12:15 – 12:30	• S.V. Kulakovsky, Head of Department bundling of JSC "NIAEP", "Development of information technologies. Requirements to suppliers"
12:30 - 12:45	Discussion
12:45 – 13:30	Ceremonial Opening of the Exhibition "Fair Supplier of Nuclear Industry 2012" Diploma Award Tour of the Exhibition
13:30 – 14:00	Lunch
14:00 – 15:40 Hall 1	Round table 1 "Procurement system in the nuclear industry. Procurement control system" Moderators: R.S. Zimonas, Director of Methodology and Procurement Department of the State Corporation "Rosatom", P.A. Tikhomirov, Deputy Director of Internal Control and Audit Department, chairman of the Central Arbitration Committee of the State Corporation "Rosatom"
14:00 – 14:20	Speech of a representative of the Ministry of Economic Development and Trade of the Russian Federation on legislative regulation of procurements of State corporations
14:20 – 14:40	"Federal Law 223-Φ3 execution control", V.V. Soloviyov, Head of the Monitoring Utilities, Construction and Natural Resources of the Federal Anti-Monopoly Service;
14:40 - 15:00	Discussion and Question Time
15:00 – 15:10	"Training System for Suppliers of Nuclear Industry", A.Yu. Afonin, Director of Corporative Academy, State Corporation "Rosatom"
15:10 – 15:20	"Unique Services for Nuclear Industry Suppliers in atom.rosseltorg.ru System", Representative of the Electronic Trading Site (ETS) Roseltorg
15:20 – 15:30	"Electronic Trading Site <u>www.fabrikant.ru</u> ", S.V. Gabestro, Director General of LLC "Fabrikant.ru"
15:30 – 15:40	"Actual changes in the electronic trading platform AKD www.akd.ru Trends and Prospects electronic procurement", K.A. Polyakov, Commercial Director of LLC "AKD"
15:40 – 15:50	"The practical advantages of factoring: the Acceleration of speed, cover the cash gap, providing additional deferral of the Buyer", R.A. Vlasov, Senior Vice President of NOMOS-Bank
15:50 – 16:10	Coffee Break
16:10 – 18:00 Hall 1	Round Table 2 "The Best International Practices in Dealing with the Suppliers of Large Energy Companies" Moderator: R.S. Zimonas, Director of Procurement Methodology and Arrangement Department, State Corporation "Rosatom"
16:10 – 16:25	"EDF Procurement in Nuclear Relations with suppliers", Laurent Amice, the procurement division of the EDF
16:25 – 16:40	"Procurement system of AREVA in the construction of the EPR reactor", Jamila Ramazanova, Marketing Manager for Russia and CIS countries, AREVA

16:55 — 17:05 Toshiba nuclear business and suppliers section", Elichiro Sato, Manager of Department of planning and development, Toshiba 17:05 — 17:20 Toshiba nuclear business and suppliers section", Elichiro Sato, Manager of Department of planning and development, Toshiba The Representative Of The Rolls-Royce The Representative Of The Rolls-Royce Toshiba The Representative of the products of SNF Toshiba		
17:05 - 17:20 Jam Koeuwek, head of projects for atomic energy, AF-Consult 17:20 - 17:35 The Representative Of The Rolls-Royce 17:35 - 18:00 Discussion	16:40 – 16:55	"The ways of development of nuclear energy in CNNC", Yun Hongzhi, head of the Department of CNNC
17:20 - 17:25 Jan Kocourek, head of projects for atomic energy, AF-Consult 17:20 - 17:25 The Representative Of The Rolls-Royce 17:20 - 17:25 The Representative Of The Rolls-Royce 17:20 - 18:30 Discussion 18:30 - 21:00 Registration 10:00 - 11:30 Break-out session 10:00 - 11:30 The Royce of Project designing branch of OJSC "Concern Rosenergoatom" S. V. Ergonto, Deputy Director of Project designing branch of OJSC "Concern Rosenergoatom" S. V. Ergonto, Deputy Director on project engineering of Rosenergoatom" S. V. Ergonto, Deputy Director on project engineering of Rosenergoatom" S. V. Ergonto, Deputy Director on project engineering of Rosenergoatom" S. V. Ergonto, Deputy Director on project engineering of Rosenergoatom" S. V. Ergonto, Deputy Director on project engineering of Rosenergoatom" S. V. Ergonto, Deputy Director on Project engineering of Rosenergoatom" S. V. Ergonto, Deputy Director of Project engineering of Rosenergoatom" S. V. Ergonto, Deputy General Office of S. V. Individual S. A. Schirestow, Head of Depattment within Company Administration, OJSC "Atomenergoproject" Serial order of the main equipment on the example of the NPP with VVER-TOF, O. V. Siraectimor, First Depatty General Director of JOSC "Administration, OJSC "Atomenergoproject" Serial order of the main equipment on the example of the NPP with VVER-TOF, O. V. Siraectimor, First Depatty General Director, OJSC "Administration, OJSC "Atomenergomach" Serial order of the main equipment on the example of the NPP with VVER-TOF, O. V. Siraectimor, First Depatty General Director, OJSC "Administration of a single order of the life cycle", N.S. Maksimov, Director of Business Development Intergraph PP&M Russia; Round Table 3	16:55 – 17:05	
17:35 - 18:00 18:30 - 21:00 Registration 10:00 - 11:30 Hall 1 10:00 - 10:15 10:00 - 10:15 10:00 - 10:15 10:00 - 10:15 10:00 - 10:15 10:15 - 10:30 10:15 - 10:30 10:15 - 10:30 10:15 - 10:30 10:15 - 10:30 10:30 - 10:45 1	17:05 – 17:20	
10:00 – 11:30 Hall 1 10:00 – 11:30 Hall 2 10:00 – 10:10 Hall 2 10:00 – 10:15 Hall 3 Hall 1 10:00 – 10:15 Hall 3 Hall 1 10:00 – 10:15 Hall 2 10:00 – 10:15 Hall 3 Hall 3 Hall 4 Hall 5 Hall 5 Hall 5 Hall 5 Hall 6 Hall 7 Hall 8 Hall 8 Hall 1 Hall 8 Hall 1 Hall 1 Hall 8 Hall 1 Hall 8 Hall 1 Hall 1 Hall 8 Hall 1 Hall 2 Hall 1 Hall 2 Hall 3 Hall 1 Hall 2 Hall 3 Hall 1 Hall 2 Hall 3 Hall 1 Hall 3 Hall 1 Hall 3 Hall 1 Hall 3 Hall 3 Hall 1 Hall 3 Hall 3 Hall 1 Hall 3 Hall 4 Hall 8 Hall 1 Hall 8 Hall 1 Hall 8 Hall 1 Hall 8 Hall 1 Hall 8 Hall 8 Hall 8 Hall 9 Ha	17:20 – 17:35	
9:00 – 16:00 Registration Break-out session 1 "VVFR-TOI. Requirements for equipment" Moderator: S.V. Egorov, Director of Project designing branch of OJSC "Concern Rosenergoatom"; S.V. Egorov, Director of project designing branch of OJSC "Concern Rosenergoatom"; S.V. Egorov, Director of project of equipment VVER-TOI", S.V. Egorov, PKF JSC "Concern Rosenergoatom" 10:00 – 10:15 "Implementation of the model bidding for procurement of equipment VVER-TOI", S.V. Egorov, PKF JSC "Concern Rosenergoatom" 10:30 – 10:45 "The project of the "VVER-TOI". Modern requirements to the suppliers of the equipment", A.V. Alacy-Design Center of the VVER JSC "Atomenergoproject" 10:30 – 10:45 "WVER-TOI Project. Management of Design Demand. Initial Technical Requirements", A.A. Selverstow, Head of Department within Company Administration, OJSC "Administration, OJSC "Administration, OJSC "Administration, OJSC "Administration, OJSC "Administration of a single order of equipment for NPP" "Machine hall of the VVER-TOI: modern approaches to designing and manufacturing equipment" A.M. Tsvetkov, Director General of LLC "Akstom-Atomenergomoash" 10:00 – 11:30 "Management of engineering data at the stage of procurement and supply as well as other stages of the life cycle", N.S. Maksimov, Director of Business Development Intergraph PP-&M Russia; 10:00 – 11:30 "Moderator: M.A. Batkov, Program Director, the State Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corp	17:35 – 18:00	Discussion
9:00 – 16:00 Registration Break-out session 1 "VVER-TOL Requirements for equipment" Moderator: S.V. Egorov, Director of Project designing branch of OISC "Concern Rosenergoatom"; S.V. Ergopulo, Deputy Director on project engineering of ISC "Atomenergoproekt" 10:00 – 10:15 "Implementation of the model bidding for procurement of equipment VVER-TOL", S.V. Egorov, PRE JSC "Concern Rosenergoatom" 10:15 – 10:30 10:30 – 10:45 "VVER-TOL Request of the WVER JSC "Atomenergoproject" "VVER-TOL Project of the "VVER-TOL", Modern requirements to the suppliers of the equipment", A.U. Aluev. Design Center of the VVER JSC "Atomenergoproject" "VVER-TOL Project Management of Design Demand. Initial Technical Requirements", A.A. Seliverstow, Head of Department within Company Administration, OISC "Atomenergoproject" "Serial order of the main equipment on the example of the NPP with VVER-TOL", OV. Stractedinov, First Deputy General Director of OSCS "Administration of a single order of equipment for NPP" "Machine hall of the VVER-TOL" modern approaches to designing and manufacturing equipment" A.M. Tsyetkov, Director General of LLC "Alstom-Atomenergomash" "Management of engineering data at the stage of procurement and supply as well as other stages of the life cycle", N.S. Maksimov, Director of Business Development Intergraph PP&M Russia: 10:00 – 11:30 Hall 2 "Moderator M.A. Batkov, Program Director, the State Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Prospects of development of the technologies of nuclear medicine and priority needs for materials and components of systems of nuclear medicine", M.A. Batkov, Program Director, the State Corporation "Rosatom" "Prospects of development of the technologies of nuclear medicine and priority needs for materials and components of systems of nuclear medicine", M.A. Batkov, Program Director, the State Corporation "Rosatom" "Prospects of development of the tec	18.30 21.00	EVENING RECEPTION
10:00 16:00 Registration Break-out session 1 "VVER-TOI Requirements for equipment" Moderator: S.V. Egorov, Director of Project designing branch of OJSC "Concern Rosenergogotom", S.V. Egorov, Director of Project engineering of JSSC "Atomenergogorock" "Implementation of the model bidding for procurement of equipment VVER-TOI", S.V. Egorov, PKF JSC "Concern Rosenergogotom" "The project of the "VVER-TOI", Modern requirements to the suppliers of the equipment", A.U. Alaev Design Center of the VVER JSC "Atomenergoproject" "The project of the "VVER-TOI", Modern requirements to the suppliers of the equipment", A.U. Alaev Design Center of the VVER JSC "Atomenergoproject" A.U. Alaev Design Center of the VVER JSC "Atomenergoproject" Serial order of the main equipment on the example of the NPP with VVER-TOI", OV. Siracetdinov First Departy General Director of OJSC "Administration of a single order of equipment for NPP" "Machine hall of the VVER-TOI modern approaches to designing and manufacturing equipment for NPP" "Machine hall of the VVER-TOI modern approaches to designing and manufacturing equipment", A.M. Tsvetkov, Director General of LLC "Alstom-Atomenergomash" "Manugement of engineering data at the stage of procurement and supply as well as other stages of the lift eyele", "N.S. Maksimov, Director of Business Development Intergraph PP&M Russian "Moderator" M.A. Bakkov, Program Director, the State Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Prospects of development of the technologies of nuclear medicine", M.A. Bakkov, Program Director, the State Corporation "Rosatom" "Prospects of development of the technologies of nuclear medicine and pronoments", the Representative Of Philips The Republic of Belarus (Including the organization and procurement	10.30 -21.00	
Break out session I	0.00 16.00	
#WVER-TOI. Requirements for equipment" Moderator: S.V. Egorov, Director of Project designing branch of OJSC "Concern Rosenergognoom": S.V. Ergopulo, Deputy Director on project engineering of SC "Atomenergoproekt" 10:00 – 10:15 10:00 – 10:15 10:15 – 10:30 10:30 – 10:45 10:30 – 10:45 10:30 – 10:45 10:30 – 10:45 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:45 – 11:00 10:46 – 11:15 10:46 – 11:15 10:47 – 11:15 10:48 – 11:15 – 11:30 10:48 – 11:15 – 11:30 10:49 – 11:15 – 11:30 10:40 – 11:15 10:40 – 11:15 10:40 – 11:15 10:40 – 11:15 10:40 – 11:30 10:40 –	9:00 - 16:00	
10:15 – 10:30 10:30 – 10:45 10:30 – 10:45 10:30 – 10:45 10:30 – 10:45 10:30 – 10:45 10:45 – 11:00 10:40 – 11:00 10:40		"VVER-TOI. Requirements for equipment" Moderator: S.V. Egorov, Director of Project designing branch of OJSC "Concern Rosenergoatom"; S.V. Ergopulo, Deputy Director on project engineering of JSC "Atomenergoproekt"
10:30 – 10:45 A.U. Alaev, Design Center of the VVER ISC "Atomenergoproject" "VVER-TOI Project. Management of Design Demand. Initial Technical Requirements", A.A. Seliverstov, Head of Department within Company Administration, OJSC "Atomenergoproekt" "Serial order of the main equipment on the example of the NPP with VVER-TOI", O.V. Siracedinov, First Deputy General Director of OJSC "Administration of a single order of equipment for NPP" 11:00 – 11:15 "Machine hall of the VVER-TOI: modern approaches to designing and manufacturing equipment" A.M. Tsverkov, Director General of LLC "Alstom-Atomenergomash" "Management of engineering data at the stage of procurement and supply as well as other stages of the life cycle", N.S. Maksimov, Director of Business Development Intergraph PP-&M Russia; Round Table 3 "Modern technologies of nuclear medicine prospects of development of component base in the Russian Federation" "Moderator: M.A. Batkov, Program Director, the State Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" and its suppliers in implementation of the requirements for materials and components of systems of nuclear medicine", M.A. Batkov, Program Director, the State Corporation "Rosatom" and and components", the Representative Of Philips The Representative Of The Ministry Of Industry And Trade 11:30 – 11:50 Coffee Break Break-out session 2 "Experience in quality assurance and quality control of the equipment supplied for the construction of NPP abroad" Moderator: S.A. Streltsov, Director of quality management - the head of the Moscow representative office of ISC "NIAEP" "A single industry nomenclature catalog of equipment and materials (EONKOM) of the enterprises of atomic power engineering of Russia and foreign countries: the role of the producers and suppliers", I.D. Uvarov, Head of Department of information support and procurement of supplies of ISC "NIAEP" "A single industry nomencla	10:00 – 10:15	PKF JSC "Concern Rosenergoatom"
10:30 – 10:45 A.A. Seliverstov, Head of Department within Company Administration, OJSC "Atomenergoproekt" "Serial order of the main equipment on the example of the NPP with VVER-TOI", O.V. Sirazetdinov, First Deputy General Director of OJSC "Administration of a single order of equipment for NPP" "Machine hall of the VVER-TOI: modern approaches to designing and manufacturing equipment" A.M. Tsvetkov, Director General of LLC "Alstom-Atomenergomash" "Management of engineering data at the stage of procurement and supply as well as other stages of the life cycle", N.S. Maksimov, Director of Business Development Intergraph PP&M Russia; Round Table 3 "Modern technologies of nuclear medicine prospects of development of component base in the Russian Federation" Moderator: M.A. Batkov, Program Director, the State Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Prospects of development of the technologies of nuclear medicine and priority needs for materials and components", the Representative Of Phillips The Representative Of The Ministry Of Industry And Trade Coffee Break Break-out session 2 "Experience in quality assurance and quality control of the equipment supplied for the construction of NPP abroad" Moderator: S.A. Streltsov, Director of quality management - the head of the Moscow representative office of JSC "NIAEP" "A single industry nomenclature catalog of equipment and materials (EONKOM) of the enterprises of atomic power engineering of Russia and foreign countries: the role of the producers and suppliers", I.D. Uvarov, Head of Department of information support and procurement of supplies of JSC "NIAEP", M.U. Korytov, Head of the Department of Process of NPP construction in Republic of Belarus (including the organization of works of the preparatory period)", V.I. Animuskiy, leading expert of organizational and administrative department of Representation of JSC "NIAEP" "Process of NPP	10:15 – 10:30	"The project of the "VVER-TOI". Modern requirements to the suppliers of the equipment", <i>A.U. Alaev,Design Center of the VVER JSC "Atomenergoproject"</i>
10:45 - 11:00 O.V. Sirazetdinov, First Deputy General Director of OISC "Administration of a single order of equipment for NPP" Machine hall of the VVER-TOI: modern approaches to designing and manufacturing equipment" A.M. Tsvetkov, Director General of LLC "Alstom-Atomenergomash" "Management of engineering data at the stage of procurement and supply as well as other stages of the life cycle", N.S. Maksimov, Director of Business Development Intergraph PP&M Russia; Round Table 3 "Modern technologies of nuclear medicine prospects of development of component base in the Russian Federation" Moderator: M.A. Batkov, Program Director, the State Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" "Prospects of development of the requirements for materials and components of systems of nuclear medicine", M.A. Batkov, Program Director, the State Corporation "Rosatom" "Prospects of development of the technologies of nuclear medicine and priority needs for materials and components", the Representative Of Philips The Representative Of The Ministry Of Industry And Trade Coffee Break Break-out session 2 "Experience in quality assurance and quality control of the equipment supplied for the construction of NPP abroad" Moderator: S.A. Streltsov, Director of quality management - the head of the Moscow representative office of ISC "NIAEP" "A single industry nomenclature catalog of equipment and materials (EONKOM) of the enterprises of atomic power engineering of Russia and foreign countries: the role of the producers and suppliers", I.D. Uvarov, Head of Department of information support and procurement of supplies of JSC "NIAEP" "Process of NPP construction in Republic of Belarus (including the organizational ond administrative department of Representation of JSC "NIAEP in Republic of Belarus" "Experience of activity on quality providing and control of the equipment delivered for NPPs construction abroad", A.G. Mukhlinin, head of quality and standardization	10:30 – 10:45	A.A. Seliverstov, Head of Department within Company Administration, OJSC "Atomenergoproekt"
11:15 – 11:30 11:15 – 11:30 11:15 – 11:30 10:00	10:45 – 11:00	O.V. Sirazetdinov ,First Deputy General Director of OJSC "Administration of a single order of equipment for NPP"
the life cycle", N.S. Maksimov, Director of Business Development Intergraph PP&M Russia; Round Table 3 "Modern technologies of nuclear medicine prospects of development of component base in the Russian Federation" Moderator: M.A. Batkov, Program Director, the State Corporation "Rosatom" "Opportunities of the enterprises of the state Corporation "Rosatom" and its suppliers in implementation of the requirements for materials and components of systems of nuclear medicine", M.A. Batkov, Program Director, the State Corporation "Rosatom" "Prospects of development of the technologies of nuclear medicine and priority needs for materials and components", the Representative Of Philips The Representative Of The Ministry Of Industry And Trade 11:30 – 11:50 Coffee Break Break-out session 2 "Experience in quality assurance and quality control of the equipment supplied for the construction of NPP abroad" Moderator: S.A. Streltsov, Director of quality management - the head of the Moscow representative office of JSC "NIAEP" "A single industry nomenclature catalog of equipment and materials (EONKOM) of the enterprises of atomic power engineering of Russia and foreign countries: the role of the producers and suppliers", I.D. 1. 12·50 _ 13·05 Discussion		head of Marketing and Development Office of SNF and RW of the Moscow representation of JSC "NIAEP"
12.30 - 13.03 Discussion	12:50 – 13:05	Discussion

	Durals out gazzion 2
11:50 – 13:05 Hall 2	Break-out session 3 "Engineering surveys, design and construction of nuclear power utilization facilities" Moderator: G.S. Sakharov, Director of Capital Investments of the State Corporation "Rosatom";
SOGAZ	V.S. Opekunov, President NP SRO "Soyuzatomstroy"
INSURANCE GROUP	
11:50 – 12:25	"Improvement of the capital construction of Rosatom State Corporation control system", D.I. Tveritinov first deputy director of Rosatom State Corporation Branch Center of Capital Construction
12:25 – 12:45	"Topical issues of legal regulation of building activity in the construction of nuclear facilities", V.S. Opekunov, President NP SRO "Soyuzatomstroy"
12:45-13:00	"Insurance of construction risks in the NNP construction " D.V. Lobanov, deputy director for corporate insurance IG "SOGAZ"
13:00 - 13:05	Discussion
14:00 – 15:30 Hall 2	Break-out session 3 extention "Engineering surveys, design and construction of nuclear power utilization facilities" Metantem C.S. S. H. Director of Control of Nuclear power utilization facilities "Break-out session 3 extention"
SOGAZ	Moderator: G.S. Sakharov, Director of Capital Investments of the State Corporation "Rosatom"; V.S. Opekunov, President NP SRO "Soyuzatomstroy"
INSUNANCE GROUP	
14:00 – 14:15	"Industry standards. Basis for the implementation of technical policy in the NPP construction" S.M. Malinin, Technical Director of NP SRO "SOYUZATOMSTROY"
14:15– 14:30	"Project cost management in the construction of the Russian and foreign NPPs", D.B. Vinogradov, deputy director of development in the construction industry pricing of Rosatom State Corporation Branch Center of Capital Construction
14:30 – 14:45	"New technologies in the NPP construction project cost management", D.B. Vinogradov, deputy director of development in the construction industry pricing of Rosatom State Corporation Branch Center of Capital Construction
14:45 – 15:00	"Organization of informational space in the design of NPP", M.I. Muromsky, The head of the Department of automation of designing of the Department of project and information technologies of JSC "SPbAEP"
15:00 – 15:15	"The improvement of the activities in the field of capital construction", L.N. Kobzareva, The head of Department of regulations and branch development of the construction complex of Rosatom State Corporation Branch Center of Capital Construction
15:15 – 15:30	"Creating 3D terrain model based on the results of geodetic surveys (for example, the Akkuyu NPP)", M.N. Stanevskiy, Head of the Bureau of complex engineering studies of JSC "Atomenergoproject"
13:05 - 14:00	Lunch
14:00 – 15:15 Hall 1	Break-out session 4 "Quality assurance in the supply of equipment for objects of use of atomic energy" Moderator: K.V. Grabelnikov, The head of quality Management of the State Corporation "Rosatom"
14:00 – 14:05	Introductory word K.V. Grabelnikov, The head of quality Management of the state Corporation "Rosatom"
14:05 – 14:15	"On the peculiarities of conformity assessment, standardization", A.M. Sirotkin, the head of the project quality Management PSA State Corporation "Rosatom"
14:15 – 14:30	"On the peculiarities of the use of imported equipment in the construction of nuclear energy facilities", V.A. Kolomentzev, The Deputy chief of Management of the quality of the PSA of the State Corporation "Rosatom"
14:30 – 14:45	"Quality assurance in the supply of equipment for objects of use of atomic energy of the Technical requirements of the operating organization to the equipment and requirements for manufacturers", S.V. Sergeev, The Department of quality of JSC "Concern Rosenergoatom"
14:45 – 15:00	"The results of the development of the PSR in the construction of NVNPP-2", V.I. Tyajelov, The head of the Department of production system "Rosatom", JSC "Atomenergoproject"
15:00 – 15:15	"The potential of shipbuilding technology to improve the accuracy of the metal structures", N.A. Dobrovolsky, The project Director of the Department of production system "Rosatom", JSC "Atomenergoproject"
15:15 – 15:45	Coffee Break
-	

15:45 – 17:45 Hall1	Break-out session 5 "On postion Mointenance and practice Deconstruction and modernization of NDD"
	"Operation. Maintenance and repair. Reconstruction and modernization of NPP".
	Moderates: A.G. Krupsky, Deputy Director for production and operation of NPP- the Director of
	Department for IT and repair of JSC "Concern Rosenergoatom", S.A. Saakov, Director General of
	JSC "Atomtehenergo", V.I. Minaev, Director General of JSC "Atomenergoremont"
	"Maintenance and repair. Reconstruction and modernization of NPP", A.G. Krupsky, Deputy
15:45 - 16:00	Director for production and operation of NPP- Director of the Department for IT and repair of
	JSC "Concern Rosenergoatom"
	"Prospects of development of JSC "Atomtehenergo" at realization of the program the construction
16:00 - 16:15	of new nuclear power plants and engineering support of operation of existing NPP" E.S. Saakov,
	Director General of JSC "Atomtehenergo"
	"Prospects of JSC "Atomenergoremont" to work with suppliers. The choice of strategy",
16:15 - 16:30	V.I. Shteinmark, Deputy chief engineer - the head of Department of purchases of
	"Atomenergoremont"
	"The impact of optimization of internal processes of the company on external suppliers",
16.20 16.45	E.V. Popov chief specialist of the Department of management systems and inspections,
16:30 – 16:45	JSC "Atomtehenergo", co-specialist of 1 category of the procurement branch CATE
	JSC "Atomtehenergo"
	"The principle of "safety culture" is the basic principle of interaction with contractors",
16:45 - 17:00	A.A. Gaponov, candidate of technical Sciences, head of Educational-training center of the branch
	"Novovoronejatomenergoremont"
17.00 17.15	"The experience of commissioning № 4 unit of the Kalininskaya NPP", A.V. Blinov, chief engineer
17:00 - 17:15	of the branch KATƏ JSC "Atomtehenergo"
	"The system of training of personnel is a key factor in the quality of the delivered services",
17:15 – 17:30	M.V. Halezkaya, the head of the Department on preparation of the personnel of
	JSC "Atomenergoremont"
	"Theory and practice of quality plans in carrying out operational control of construction-erection
17:30 – 17:45	works", V.A. Samorodov, the head of the control of quality of construction of facilities of
	JSC "Atomenergoproject"
	Break-out session 6
15:45 – 17:00 Hall 2	"Perspective technologies and equipment of nuclear and energy machinery for the nuclear energy
	sector"
	Moderator : Yu.P. Arkhipov, Deputy Director of the CPC in engineering, Advisor to General
	Director
15.45 16.00	"The improvement of the design of the reactor vessel for advanced nuclear power plants with
15:45 - 16:00	VVER", V.YA. Berkovich, chief designer of OKB "Gidropress"
16:00 – 16:15	"Problems of and prospects of development of technology of production of the equipment of a long
	cycle of manufacture for the needs of nuclear power at the enterprises of OJSC "Atomenergomash",
	V.A. Durinin, first Deputy General Director of NPO "TSNIITMASH"
	"Problems and prospects of production of elongated of the shells of the active zone of the reactor
16:15 - 16:30	project VVER TOI in the conditions of JSC "EMSS", A.I. Lobanov, the chief blacksmith of the
	JSC "EMSS"
16:30 – 16:45	"New single-shaft GTSNA" R.P. Kazantsev, Chief Designer of pumping equipment "TSKBM"
16:45 17:00	"The concept of a SSI RU for NPP with VVER" S.B. Chebyshev, Head of Instrumentation
16:45 - 17:00	"Atomenergomash"
